

January 04, 2020

Sectional President	:	Dr. Deep Narayan Srivastava , Professor, Department of Radiodiagnosis, All India Institute of Medical Sciences (AIIMS), New Delhi.
Sectional Secretary	:	Dr. K.T. Chandrashekar , Assistant Professor, Department of Anatomy, Mysore Medical College & Research Institute, Irvin Road, Mysuru-570 001, E-mail : ktcsanat@gmail.com
Sectional Recorder	:	Dr. Sujata Maiti Choudhury , Professor & Head, Department of Human Physiology, Vidyasagar University, Midnapore, West Bengal
02:00 – 06:00 PM		
Venue	:	Cluster III – College of Agriculture, North Block : Hall 21
Presidential Address	:	Deep Narayan Srivastava , Professor, Department of Radiodiagnosis, All India Institute of Medical Sciences (AIIMS), New Delhi. <i>Role of Interventional Radiology treatments in Rural India</i>
Platinum Jubilee Lecture	:	Santasabuj Das , Scientist F, ICMR-National Institute of Cholera and Enteric Diseases, Kolkata. <i>So much yet so little: Studies on an age-old human pathogen Salmonella Typhi</i>
Foregion Invitee	:	Animesh Dhar , Associate Professor, Cancer Biology and Molecular and Integrative Physiology, Kansas University Medical Center, Kansas City, Kansas, USA <i>Super-Enhancers, Cluster of Genes, Targeted by Novel Natural Compounds Derived from Unani/Ayurvedic Medicine in Pancreatic Cancer (PDAC)</i>
Invited Lectures	:	Raghavendra V Kulkarni , Professor, BLDE University, Karnataka
SECTIONAL COMMITTEE ELECTION		

January 05, 2020

2:00 – 6:00 PM		
Venue	:	Cluster III-College of Agriculture, North Block: Hall 21
Symposium: I		
Contemporary research in medical and allied sciences for rural India		
Keynote address	:	Manoj Chakravorty , Past President, ISCA <i>Overview about the topic of symposium</i>
Invited Lectures	:	Amar K Chandra , Department of Physiology, University of Calcutta, Kolkata

		<i>Bamboo Shoots consumed by rural population in North east India impairs thyroid hormone synthesis through disruption of key cellular and molecular components involved in hormonogenesis</i>
	:	Sujata Maiti Choudhury , Biochemistry, Molecular Endocrinology and Reproductive Physiology Laboratory, Department of Human Physiology, Vidyasagar University, Midnapore, West Bengal <i>BSA surface-modified silver nano formulated chlorogenic acid: A promising candidate against leukemia and lymphoma</i>
	:	Atis kumar Chattopadhyay , Faculty Council of Science, Jadavpur University, Kolkata, West Bengal <i>Supplementation of seed dust of vicia faba and sesame ameliorates high lipid diet-induced dyslipidemia in rats</i>
	:	Chandradipa Ghosh , Department of Human Physiology Vidyasagar University, Medinipur, WB. <i>Assessment of anti-biofilm potential of certain phyto-extracts on multi-drug resistant Staphylococcus aureus</i>
		Siddharth P. Dubhashi , Department of Surgery, Mahatma Gandhi Mission Institute of Health Sciences (MGMIHS), Navi Mumbai <i>Gandhian Values for Rural Health</i>
Symposium : II		
Occupational health and safety in healthcare settings in rural India		
Invited Lectures	:	Pasupuleti Sreenivasa Rao , Department of Biochemistry Narayana Medical College and Hospitals Nellore <i>New age innovative strategies to identify and design novel drugs for cancer.</i>
	:	Ranabir Pal . Department of Community Medicine, MGM Medical College and Hospital, Kishanganj. <i>Untold story: Occupational injury of Agricultural workers</i>
	:	Soumendra Darbar . Department of Pharmaceutical Technology, Jadavpur University, Raja S C Mallick Road, Kolkata. <i>Safe and symptomatic medicinal use of surface-functionalized Mn₃O₄ nanoparticles for hyperbilirubinemia treatment</i>

Oral presentations	:	Deotima Sarkar , Department of Physiology, University of Calcutta, Kolkata <i>Flavonoids/Polyphenols induced cellular and molecular changes in thyrocytes</i>
	:	BK Bandre , Director, Indore School of Yoga, Indore. Selected yoga practices to cure allergy and Asthma in Rular India
	:	Tapas Kumar Sur , Department of Pharmacology, I.P.G.M.E & R <i>Development and Intervention of Heart Revival in the Management of Cardiovascular Diseases</i>
	:	Supriya Singh , 14/18 A Chowbaga Road, Kolkata <i>Direct action of different potencies of Hepar sulphur on Staphylococcus aureus – an in vitro study</i>
BEST POSTER AWARD PRESENTATION Concurrent Poster Session –I (A01 – A57)		

January 06, 2020

Venue	:	Cluster III - College of Agriculture, North Block : Hall 21
Symposium : I		
Contemporary research in medical and allied sciences for rural India		
Invited Lectures	:	Kumar Venkitanarayanan. University of Connecticut, Storrs, CT, USA.. <i>Antivirulence Strategy for Controlling Clostridium difficile Infection</i>
	:	Saurabh Satija School of Pharmaceutical Sciences & Division of Research & Development, Lovely Professional University, Phagwara, Punjab, 144411 <i>Hypoxia inducible factor (HIF) using liposome-encapsulated perfluorocarbons: A novel therapeutic strategy for cancer</i>
Oral presentation	:	Sandip Kumar Sinha, Dept of Human Physiology with Community Nutrition, Vidyasagar University, Paschim Medinipur, WB <i>Protective role of soluble dietary fibre (Fructan) and ZnO nanoconjugate against nicotine induced cardiac rhythms: An electroencephalography study</i>
	:	Mukul Bajpai. Department of Microbiology, St. Xavier's College(Autonomous)Kolkata. <i>Prevalence of IGE Hypersensitivity in North East Region of India And Its Clinical Significance</i>
	:	Anjali Yadav, Centre of Science and Society, Institute of Interdisciplinary Studies (IIDS), University of Allahabad, Prayagraj. <i>Menstrual Health And Management: Improving Quality of Life of Rural India</i>
	:	Thoudam Bedita Devi, Department of Anatomy Sikkim Manipal Institute of Medical Sciences, Gangtok, <i>Secular Trend in Nasio-facial Anatomy of Meitei Males of Manipur</i>
Symposium : II		
Occupational health and safety in healthcare settings in rural India		
Invited Lectures	:	Prakah Chandra Dhara and Piyali Sengupta, Dept. of Human Physiology Vidyasagar University, Midnapur, WB. <i>Comparison of physiological and health related parameters of elderly persons between rural and urban areas</i>

		<p>Atis Chattapadhyay, Principal Secretary, Faculty council of PG and UG studies in science, Jadavpur University,, Kolkata-700032 <i>Supplementation Of Seed Dust Of Vicia Faba And Sesame Ameliorates High Lipid Diet-Induced Dyslipidemia In Rats</i></p> <p>Saumik Das, Department of ENT, Medical College, Kolkata <i>The Sound of Silence</i></p>
Oral presentation	:	<p>S.Jayachandran. Department of Oral Medicine and Radiology, Tamil Nadu Govt. Dental College and Hospital, Chennai <i>Recent Advances In Diagnosis of Oral Potentially Malignant Disorders and Oral Cancer</i></p>
	:	<p>Suriyakumari. Sri Manakula Vinayagar Medical College & Hospital, Madagadipet, Puducherry <i>Morphological Studies On Heart Samples of Sildenafil Citrate And Alcohol Fed Albino Mice</i></p>
	:	<p>Shubha Nivargi. Sathagiri Institute of Medical Sciences and Research Centre, Bangalore <i>Clinical Scenario In Pregnancy With Single Umbilical Artery – Diagnosis And Implications</i></p>
		<p>Sunayana Manipal, SRM Dental College , Chennai <i>Systematic review and Meta analysis on prophylactic mouth washes – a paradigm shift from chlorhexidine gluconate to essential oil mouth wash.</i></p>
		<p>Minakashee Sharma, Institute of Human Genetics, University of Jammu, Jammu <i>Positive Correlation Of Non-Genetic Risk Factors With Diabetes Mellitus</i></p>
Concurrent Poster Session –II (A01 – A57)		

January 07, 2020

02:00 – 03:00 PM		
Venue		Cluster III – College of Agriculture, North Block : Hall 21
Invited Lectures/ Oral Presentations		
Miscellaneous topics		
Oral Presentations	:	Soumen Acharya , Consultant CMU, NIPCCD (New Delhi) <i>The behavioral screening used in AIIMS CTVS and cardiology department questionnaire, the Strengths and Difficulties</i>
	:	Vishal Bansal , Department of Physiology, V. P. Chest Institute, University of Delhi, <i>Role of Exercise training in treatment of Chronic Respiratory Diseases</i>
	:	Laishram Hemchandra , Associate Professor, Department of Zoology, Dhanamanjuri University, Manipur. <i>Prevalence of goiter and Hashimoto's thyroiditis among school children and women of reproductive age group in Manipur</i>
	:	Estari Mamidala Department of Zoology, Kakatiya University, Warangal. Potent HIV-1 Reverse Transcriptase Activity Punicalagin, A Novel Tannin Component Isolated From <i>Terminalia Chebula</i> Ritz
General Discussion and Recommendations
